## Super Pro Multi-Pattern Spray Gun

This nine-pattern, metal spray gun is part of Darlac's Super Pro range, and is compatible with all standard quick connect hose fittings. It weighs under 400g (14oz) and has an ultra soft grip for comfortable use. The trigger mechanism locks into place for extended watering. The spray gun offers a variety of streams, from a fine 'mist' through to a 'jet' for cleaning paths.
